ORDER INFORMATION

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

Back sides of sofas:

All pieces are genuinely upholstered at the back.

All of the dimensions given are approximate dimensions in cm in width/depth/height/seat height. We reserve the right to make changes. The measure of width and depth does NOT include the possible protruding of the base of the tripod leg and the sled leg.

Seat depth:
chair easy approx. **42 cm**

chair trendy approx. **45 cm**
chair comfort approx. **48 cm**

Contrasting thread:

This model is available in leather and some fabric colours with contrasting colour thread at no extra charge. You will find the specified colours in our fabric/leather trolley. Please state the no., otherwise tone-in-tone will be delivered.

Model-related feature:

The upholstery is deliberately processed casually to create a certain visual appearance. Waving is not a quality defect, but a model-related feature that ensures optimum seating comfort.

Combined covers:

The chairs can also be supplied in a combination of different cover qualities. This is shown at the price list.

Price 1: back outside

Price 2: seat and back inside

Load-bearing capacity:

A maximum load-bearing capacity of this chair up to 120 kg is guaranteed.

Digital fabric/leather and colour samples:

The visual appearance of the covers and colour samples may vary, samples in accordance - colour and structure deviations possible.
